The **Camino de Santiago** (Way of St James) is full of unforgettable experiences and moments that turn each stage into something unique.

At **CORREOS** we know that, because postmen and women and pilgrims have been sharing the same roads for hundreds of years.

That's why **we want to help pilgrims to enjoy the experience to the maximum** You can count on us for any need that may arise, before, during or after the Camino.

# PAQ MOCHILA

## For the transport of luggage stage by stage.

**At CORREOS we transport rucksacks and suitcases from stage to stage** so that pilgrims do not have to carry their luggage. We pick the luggage up early in the morning from the hostel or hotel that you have indicated and we leave it at the next stage's accommodation, so it is there waiting for you each day upon arrival.

### Booking the PAQ MOCHILA Service

This service can be booked in 3 ways:

Online, at: [www.elcaminoconcorreos.com/paqmochila](http://www.elcaminoconcorreos.com/paqmochila), where you can enter dates and stages, and in addition, pay by credit card or PayPal.

By email: [paqmochila@correos.com](mailto:paqmochila@correos.com)

By WhatsApp or by calling **+34 683440022**

## Routes for which CORREOS offers the transport of luggage between stages:

- **Camino Francés**, from Roncesvalles and Somport.\*
- **Camino Portugués**, from Tui and Baiona.
- **Camino Primitivo** from Oviedo.
- **Camino del Norte**, from Llanes, Gijón or Avilés to Santiago and from Irún to Portugalete (we also cover the link to the Camino Primitivo from Sebrayo).
- **Camino Inglés** from Ferrol and A Coruña.
- **Vía de la Plata** (Camino Sanabrés) from A Gudiña.
- **The Camino to Fisterra and Muxia.**

**We offer our transport service for rucksacks and suitcase for all of these routes from Easter Week until 31st October.** And throughout the year from O Cebreiro to Santiago de Compostela (except 24th, 25th, 31st December and 1st January).

\*Check availability of the transport of rucksacks on the Camino Francés from Somport by sending an email to [paqmochila@correos.com](mailto:paqmochila@correos.com).

## How does the PAQ MOCHILA service work?

- 1** The first thing you do is make a **BOOKING** so that we can arrange the transfers. We need to know the day that the pilgrim will start the Camino and to which hostel or hotel we have to go to collect the luggage. We need this information before 9:00 pm on the day before the start of the service. Furthermore, if at the time of booking you are able to indicate all your accommodation, you will not need to get back in touch with us, as we will have a record of your entire route.
- 2** Our postmen and women will collect your luggage, placing a label on it bearing a **CONTROL CODE**. This will serve to identify it, so we can transport it from stage to stage, according to your instructions.
- 3** Once you have started the Camino, you just leave your luggage at the front desk first thing in the morning (you can confirm with each accommodation the approximate time that we pass by on our route).
- 4** For any question that may arise during the Camino, our **customer service staff** will be available to answer your calls from 8:30 am to 9:00 pm, from Monday to Sunday, from Easter Week until 31st October. Contact us by email (paqmochila@correos.com) or by telephone (+34 683 440 022). Out of season we can be reached from 8:30 am to 3:00 pm, from Monday to Friday.

## Prices

PAQ MOCHILA (pick-up and delivery to the chosen accommodation)	
5 or more stages**	€4/stage
Individual stages**	€5/stage

\*\* Prices are for the transport of a single package that does not exceed 20kg and for transport on stages that are less than 25 kilometres. For routes on bicycle, the price is proportional to the number of walking stages covered.

# PAQ BICICLETA

For pilgrims who are doing the Camino de Santiago by bicycle, **at CORREOS we offer the transport of bicycles** to your starting point, and also back home after you finish.

## Sending bikes to your starting point on the Camino.

CORREOS post offices throughout Spain offer the **Paq Bicicleta**, service, which includes special packaging that means the bike needs very little disassembly (150 cm long, 30 cm wide and 90 cm high), and a minimum insurance of 300 euros that can be extended.

With **Paq Bicicleta**, you **can send your bike from your location to any post office on the Camino**, where you can collect it when you arrive. We recommend that you organise the shipping 3 or 4 days in advance. We will keep it free of charge at the post office for up to 15 days to give you time to arrive and pick it up.

If you decide to begin the Camino **in Roncesvalles** we also have a delivery service to the hostel.

## Shipping of bikes at the end of the Camino.

Once you have finished the Camino, you can send your bike back from Santiago de Compostela, Fisterra, or from any other CORREOS post office.

At CORREOS post offices in Santiago de Compostela (on the Rúa do Franco - 2 minutes from the Cathedral - and in the Pilgrim's Office itself) you can also access bicycle shipping services to Portugal, France, Italy, Germany and other European countries.

This can be done from any of our more than 2,000 post offices in Spain - including the one in Madrid-Barajas airport, the one in Burguete (Roncesvalles), or those in Barcelona, San Sebastian, etc.

**3 Shipping of parcels during the Camino.** If you want to make purchases during the Camino or to get rid of something from your rucksack, you can send a pilgrim's package to any post office and pick it up there when you finish your Camino.

# TARJETA CORREOS PREPAGO MASTERCARD®

**CORREOS offers a prepaid card that will allow the pilgrim to set off on their Camino with no worries.** With this option you can do the Camino de Santiago without carrying a lot of cash on your person and without having to carry your usual banking cards.

The Tarjeta Correos Prepago MasterCard® **allows you to pay at any of the establishments that accept MasterCard® (practically all those in Spain)**, make purchases on the Internet and withdraw money from cash machines and in computerized post offices. It differs from other cards in that it is not linked to a current account, so you will not be able to spend more than the amount that has been loaded onto it.

**The service features an app** which can be downloaded from the App Store or Google Play, which allows you to manage the card quickly and conveniently from your mobile, check your balance, add more money or lock and unlock it with just one click.

**You can apply for it at any post office** and you will receive it in your hand at the time for **a single payment of 6 euros**. Another option is to apply through the webpage **correosprepago.es**, where you can read all the terms and conditions and access full information.
